

Chamber preparing promotional booklet

The Haliburton Highlands Chamber of Commerce will be publishing a new promotional color booklet later this year. The book will contain pictures and copy of the Highlands along with advertisements of Chamber members. An updated map will also be included.

The Chamber will not be supporting or distributing the Alex Wilson Lure Book

that they have in past years. The new brochure will go out to all those inquiring about the services available in the Highlands, and will be distributed widely in the U.S. and Canada.

Advertising space is going extremely well and should be filled by our deadline September 15.

For any information phone 286-1760.

OPP reports three-car collision

On Monday, August 12, around noon hour, three cars were involved in a collision on Scott's Dam Road approximately two miles north of Hwy. 121. Alexander J. Kennedy of Mississauga and Jane M. White of Toronto collided, and ten minutes later, a car driven by Douglas B. Kearns of Toronto, collided with the White vehicle.

The Kennedy and White vehicles each sustained \$1,200 damage, while the Kearns vehicle suffered only \$500.00 damage. Corporal J.W. Dunn investigated.

On Monday, August 12 at 6:15 a.m. on Highway 530 a mile west of Maple Lake Lookout, Ronald L. McCallum of Pointe Claire, Quebec, lost control of his westbound vehicle, rolled and the car landed in the south ditch on its roof. There was approximately \$3,000.00 damage in this accident investigated by Constable K. M. Legge.

As a result of an accident on Sunday, Aug. 18, 1974 which caused \$1,300.00, a charge of careless driving was laid against Paul P. Kefalas, 21 of Agincourt. Kefalas was northbound attempting to pass another northbound vehicle when he lost control of his car and struck a hydro pole. Constable J.R. Solway investigated.

Money tree actually exists!

Everyone is prone to daydream of the elusive money tree; that lovely shade tree growing out back which drops dollar bills instead of leaves each fall. A crazy dream - an idle thought - not really!

Each year seed hangs from the branches of local trees. This year White Spruce, Black Spruce, White Cedar, Tamarack, White Ash, Basswood, Sugar Maple, Red Oak and White Oak are the money trees. The seed from these trees is required by the Ministry of Natural Resources and they will pay for good quality seed.

No cones will be accepted unless the picker has first obtained a picking contract.

Interested? Contact the Minden office of the Ministry of Natural Resources for further details.

Allan Bagg, owner of the Eagle Lake Store and past president of the Haliburton Rotary Club is shown digging for change at one of the

refreshment booths at the Rotary Carnival held recently in Haliburton.

Saturday and Sunday

Ronnie Prophet headlines the Minden Fair

Ronnie Prophet who has his own show on CBC television and who is probably one of the world's best entertainers will be one of the highlights at this year's 110th Minden Fair which is scheduled for the Minden Fairgrounds this Saturday and Sunday, August 24 and 25.

This Internationally Famous Canadian Entertainer Ronnie Prophet will be at

the Fair on both Saturday and Sunday and also on Sunday only the celebrated Switzer Brothers will be entertaining.

This year the Minden Fair, which will be celebrating the Centennial of Haliburton County, will kick off the big event with a giant parade on Saturday at 12:30 p.m.

Come and enjoy the prize agricultural and domestic exhibits, midway rides, display booths, helicopter rides, horse shows, livestock, pony rides, food and refreshment booths.

You won't want to miss the gala show and dance featuring Ronnie Prophet and the ever popular band Aquarius.

This year for the first time special races and field events will be held for

Man drowns in Head Lake

Last Friday afternoon, a sixty-year-old Chatham man, Frederick Henry Moulder drowned while swimming at the Government Dock on Head Lake in Haliburton.

The deceased, who had a history of heart problems, was accompanied by his wife Josephine.

Dr. Harry E. Good was the coroner.

children on Sunday with cash prizes. The events will be sponsored by the Minden rotary Club.

Admission to the grounds will be Adults, \$1.50; children 6 to 15, 75c;

children under 6 free and parking will be \$1.00.

So why not round up the entire family and take them to Minden this weekend for the 110th Minden Fair. You will be glad you did.

Diesel train excursion is planned

A picturesque 250 mile autumn rail tour has been planned for Saturday, September 28, from Toronto to Haliburton and return. The tour is also a salute to the Fenelon Centennial and the Haliburton Highlands.

The Upper Canada Railway Society tour will leave Union Station in Toronto at 8:00 a.m. and will return at 11:00 p.m. The special train will travel through Stouffville, Uxbridge, Lindsay, Fenelon Falls, Burnt River, Kinmount, Gelert and Haliburton under diesel power. There will be a two-and-a-half hour stopover in Haliburton and plenty of opportunity will be provided for camera buffs to capture the autumn colors.

The train will include a special open-air baggage car with 110 volt AC power available for tape recorders. Light lunches and refreshments will be available on the train. Advance sale tickets are available at special rates until August 31, from the Upper Canada Railway Society.

The Haliburton-Fenelon Falls diesel excursion from Toronto to Haliburton and return takes place Saturday, September 28.

Shown above is the beautiful Haliburton Lumber float which was the best entry in the Rotary Club parade held on August 7 in Haliburton. They won the Wig-A-Mog trophy and a cash prize of \$25.00. Murray Fearrey warden of Haliburton County and a partner in the Haliburton Lumber firm is shown in the car in front of the prize winning float. We understand that hours and hours of work went into the construction of this float.

Sports with Cliff Burke

Gull River wins opening series

The Gull River Buildall has advanced to the second round of the OASA Play-offs. On Tuesday evening in Fenelon Falls, Gull River pounded out 24 hits in exacting revenge on the team that humiliated them in the opening game, winning 13-6 and taking the series.

In the first game of this series here in Fenelon, Gull River played perhaps the worst softball ever seen in this part of the country. However, the next two games were a complete reverse of form. On Saturday night in Haliburton before a much friendlier crowd, Gull River own 6-1 behind the fifteen strikeout pitching of Rick Hartwick.

On Tuesday evening in Fenelon the Gull River bats erupted to take the pressure off Hartwick. The Builders hit everything that moved it seemed on this evening. Paul Sisson led the Builder attack with a perfect four for four and two walk night. Paul also made the play of the game in left field on a shallow hit fly ball to end a brief uprising by Fenelon. Three for five performances at the plate were, Al McMullen (plus two walks), Gary McKnight, Cliff Burke, Bob Austin and Jim Burk.

Rick Hartwick notched his second win in a row over Fenelon as he allowed ten hits two walks and struck out twelve, for a two game strikeout mark of twenty-seven. Joe Hanley took the loss giving up twenty-four hits, walked eight and fanned four.

Gull River now takes on Pontypool with the first game in Pontypool and the second here in Minden on Sunday afternoon at 2 pm.

GULL RIVER SPLITS SERIES

After winning the opening game of the second series of OASA play-offs, 12-3 over Pontypool, Gull River Buildall developed butter fingers in dropping the second game in Pontypool on Sunday by the identical score.

On Friday evening in Haliburton, Gull River played fine heads up ball in winning easily 12-3. Craig Stamp picked up the victory with late inning relief help from Rick Hartwick.

Gary McKnight had a perfect night at the plate, getting three hits and drew two walks while scoring twice. Bob Austin also wielded a big bat, smashing

out four hits including a three-run homer and a run scoring double.

Sunday afternoon in Pontypool was a disaster. The Builders made at least a dozen errors in giving up ten unearned runs on their way to a 12-3 thrashing.

T. Malcolm, D. Shanson, L. Brown, and W. Falls led the Pontypool attack with three hits each, including a triple and five doubles.

Gary McKnight and Cliff Burke had two hits each for Gull River. These were out of a total of seven hits by the Builders.

Craig Stamp took the loss, yielding twelve runs on sixteen hits, one walk and struck out one. D. Shanson gave up three runs on seven hits and one walk while fanning eleven Builders.

VASEY'S REACH ZONE FINALS

Vasey's Midgets have reached the OASA Zone 3 Play-off finals against Stouffville, by virtue of their 3-1 victory over Uxbridge on Thursday evening in Haliburton.

Vasey's came back from a first game defeat to Uxbridge, to win the next two games and a berth in the final.

On Thursday evening in the third game, both teams played great softball. Tim Bain got the victory for Vasey's, giving up one run on seven hits and three walks while fanning ten. Gary Timbers (brothers of Oshawa Tony's Barry) took the loss allowing three runs on three hits and three walks while striking out nine.

Uxbridge scored first in the third inning on one single and two errors by Vasey's. However, that was all the Uxbridge team was to get on this night. Vasey's tied the game in the fourth when Tim Bain walked took second on a passed ball and scored on a hard single to center by Al Trepanier.

Tom Curry put Vasey's ahead to stay in the fifth when he doubled, stole third and scored on Chris Roubles fly ball. The Insurance run was scored in the sixth when Al Trepanier was safe on a fielders choice, Roy Boughner singled, both moved up on a throwing error and Al scored on Tom Curry's single.

The first game of the final will be played in Stouffville on Tuesday evening at 8:30 with the return match in

Haliburton on Thursday at the same time.

FENELON FALLS OUSTS HALIBURTON JUNIORS

Fenelon Falls moved on to the Zone finals of OASA Play-off action on Wednesday evening in Haliburton when they downed the Haliburton Juniors 12-7. The Falls opened the series in Fenelon on Monday, winning 10-6.

The first game featured two home runs by Wade Stamp and one by Floyd Henry but it wasn't enough to beat the home team.

In Haliburton on Wednesday, things were much the same as the Haliburton boys fell behind by too much early in the game and never recovered.

Steve Roberts was the offensive threat for Haliburton driving out two doubles a single and a walk while scoring three times. Derrell Stamp was three for five as was John Wilson. Wayne

Johnson had a triple and a single.

Wade Stamp took the loss in both games for the Haliburton team. John Sheehy picked up the win for Fenelon as well as slugging a two run homer.

The Haliburton Peewees were also eliminated from OASA play-off action this past week, when they failed to field nine signed ball-players in Bracebridge. A new ruling by the OASA this year is if you default the first game you default the series.

BEAVERBROOK OPEN

The Beaverbrook Open Golf Tournament will be held on September 8 this year with everyone welcome to participate. Owner of the Beaverbrook Golf Club, Dave Stevens has offered six prizes this year. The first three finishers in low net and low gross will win prizes. So let us have a good turnout fellows.

Centennial Corner

THE MINDEN FAIR

A petition of more than fifty qualified electors of the Townships of Minden, Lutterworth, Anson, and Snowdon resulted in the official establishment of the Minden Fair on December 9, 1874 by By-law Number 18 of the Provisional County of Haliburton. It was provided that this Fair was to be held the first Wednesday in April and the first Wednesday in November in each and every year in such place as the Corporation of the Municipality of Minden should appoint. The exhibits were to be arranged by the exhibitor and might be sold, bartered or exchanged. Mr. John Bowen was appointed to see that the regulations were properly carried out. Property for the Fair Grounds was sold to the Fair Bard in 1876 by S.S. Peck, County Clerk, who was president, with James Langton Vice-President and Charles D. Curry, Secretary-Treasurer. In 1947 Mrs. James Graham and Mrs. W. MacArthur were appointed the first lady directors.

The Fall Fair is a symbol of life in which rural and urban folk meet in fellowship of appreciation. Of prime importance is the competition which encourages interest and improvement in grains, fruit, vegetables, livestock, and handicrafts. The programme has been extended with additional attractions of bands, first rate entertainment, midways, games of chance, and booths exhibiting a variety of displays for every interest. The day climaxes with the Horse Draw which attracts hundreds of spectators for a skilled performance of competition by prize teams.

The Minden Fair, under the sponsorship of the Minden Agricultural Society, and now held once a year the weekend before Labor Day, is the official Haliburton County Fair and is truly an event where 'life is living for everyone'.

COMING CENTENNIAL EVENTS:

Saturday, August 24th: Lions Club Centennial Street Dance at Dorset.

Saturday, August 24th: Glamorgan Centennial Street Dance and Garden Party at Gooderham.

News Letter

The Haliburton Minor Tag Day held on Wednesday August 7 was a great success.

Mrs. Margery Francis of Minden (formerly of West Guilford) is now residing at Parkwood Hospital, 81 Grand Avenue, London, Ontario. Any friends wishing to write can reach her there.

The Kawartha Summer Theatre which put on plays at both the Academy Theatre in Lindsay and at the Haliburton Highlands Secondary School at Haliburton so far this season shows a healthy 78 percent capacity paid attendance, an increase over last year's excellent record.

The Canadian Blues and Jazz Festival held at the Minden Community Centre recently was a great success. The crowd was around the 400 mark and it could have been larger, but that isn't too bad for a start. All those who attended this event were really thrilled with the outstanding musical evening supplied by the Illinois Jacquet Trio, along with trumpeter Russell Jacquet and Jodie Drake. We understand that the next time they come back to Minden Lionel Hampton will be with them.

Avoiding sudden death is the reason usually given for the need to fasten safety belts. But many people seem to have become immune to that appeal. A suggestion for an alternative approach, noted by the Ontario Safety League, is that a more effective appeal might be: "It may save your teeth, nose, cheekbones and chin. Avoid facial disfigurement!"

The Rotary Club of Haliburton is still waiting for the fence to arrive to go around the new tennis court at the Rotary Beach.

Pat Flannery, Camp Director of the Haliburton Hockey Haven told the Echo this week that it has had in attendance this year boys from all over the world. They came from as far as Italy, Austria, Anchorage, Alaska and Houston, Texas. This alone tells us how the interest in hockey has grown over the past few years. This is one of the best hockey camps in Canada and we are proud to have it here in the Highlands of Haliburton.

All roads will lead to Minden this weekend for the 110th Minden Fair. It is two big days Saturday and Sunday, August 24 and 25. Don't miss it.

Summer 1974 is drawing to a close. It just seems that it started yesterday and now it is all over. It sure hasn't been ideal weather all summer with a good deal of rain and cool weather. Oh well cheer up we may be in for a lovely September. Let us hope so anyway.

If it can't be done - We'll do it!

Shown above on the lawn at St. George's Anglican Church in Haliburton talking with the Rev. Dr. R.F. Stackhouse, former Progressive Conservative M.P. for Scarborough who was here Sunday to address the monthly meeting of the B.A.C. at St. Andrew's Church in West Guilford and later took the 11:00 a.m. worship service at St. George's.

Visiting Haliburton from Northbrook, Illinois, during the centennial year were Cecil M. Stewart, great grandson of Charles Russell Stewart who came to Haliburton in 1864 as the first resident agent of the Canadian Land and Emigration Company, a company formed to develop the area. Pictured with Mr. Stewart is his family (from left to right) daughters Cealy and Cynthia, wife Jeanne, Mr. Stewart, his son Charles and mother Mrs Phoebe E. Stewart of Phoenix, Arizona. The family is pictured in front

of St. Georges Church after attending services Sunday. The original St. George's Church was built by Charles R. Stewart in 1865 as the first church in Haliburton, with the Canadian Land and Emigration Company donating the land and for many years paying half the stipend of the clergyman. The Charles R. Stewart family lived for many years in a home overlooking Head Lake on the present site of the Haliburton Secondary School. The Stewart family are vacationing at Royal View Lodge.

Haliburton canoeist reaches Ungava Bay

Bob Davis, Haliburton's lone canoe tripper, has written a letter which was post-marked "Ungava Bay on the north shore of Labrador."

After seven anxious weeks his parents at Maple Lake were relieved to hear that he was safe and well despite a very harrowing experience on the treacherous George River.

Approaching a series of heavy rapids he was forced by the strong currents to head directly into the middle of rapids which were impossible to run.

The last he recalled was

coming up out of the boiling white and cold water under the canoe which he was able to cling to for three miles before he could find a spot where he could go ashore.

Bob recalls how lucky he was that his food box and packsacks floated very well but he did lose both paddles, his fishing gear and all his maps. He did admit to being careless once too often.

was spending a weekend with an Eskimo family followed by a few leisurely days of photographing caribou. Bob should be home sometime in October.

Ratepayers debate widening of road

Seventy-nine ratepayers from the Ingoldsby area plus residents from near Scott's Dam and the Haliburton Golf Club locality, met at the Ingoldsby United Church Saturday night August 10, 1974, out of deep concern for Haliburton County's proposed widening of the Ingoldsby road from Highway 121 and replacement of the Ingoldsby bridge.

The group appointed a committee of eight with Frank Dunsford as Chairman, to act as a Fact-finding body.

On the advice of the Honorable John Rhodes, Minister of Transportation

and communications, to whom a member of the Committee had written, we are asking for a meeting with members of the County Roads Commission, in an endeavour to get more facts as to what actual changes will be made.

Members of the Fact-finding Committee are: Norman Harrison Sr., Mary Thomas, Joseph Curtin, Steve Manol, Keigh Hill, Douglas Thomson, Helen Newton, and Reg. Burk.

Further advice to interested parties concerned with this road project will be forthcoming from the fact-finding committee.

Haliburton Red Cross Hospital

Haliburton Red Cross Hospital as seen by a resort operator recuperating from a heart attack.

I had forgotten what it was like to have a mid-summer vacation, but now I can see why so many people do. It's kind of a pleasant change.

This resort I'm in (Haliburton Red Cross Hospital) is quite an exclusive spot. Catering to four to eight guests at a time and you don't have to have a means test before you check in. It is just a few years old and very well appointed.

The congenial experienced staff work round the clock to make you comfortable and assure you of a pleasant stay. Consequently the staff-per-guest ratio is higher than most resorts.

The waitresses are charming and easy on the eyes, but it has been noted pulse and blood pressure varies considerably when it recorded by the various individuals. It has been suggested a blindfold on the guest might remedy this.

While this resort is not much on recreation they are strong on the three R's - Rest, Relaxation and Reconditioning.

Here you are given a lot of time for meditation and thought. The food is excellent, somewhat similar to the Martian menu offered at Maples Sands. Food simply "out of this world". The specialty of the house seems to be cocktails served regularly or on request ... Clear, Cold and Sparkling on the Rocks. A "PINE FLOAT" without the pine. If you are uninformed a pine float is a glass of water and a toothpick.

I'm not planning a return

to this most hospitable resort but if you are interested in their package deal see any of our Haliburton doctors and they will soon see if you qualify.

If you don't have transportation or have lost your driving license it is no problem as Haliburton has a nifty little bus complete with chauffeur and attendant. There are no seats in it yet but it has a nice comfortable little rollaway bed - and - By Gosh! The Price is Right!

Dale Anthes

OPP to use seat belts

Ontario Provincial Police personnel have been instructed to use seat belts while driving on duty, OPP Commissioner H.H. Graham announced today.

The new policy, outlined in a July 15 directive to supervisory personnel, allows certain exceptions to the "Buckle-up" rule.

Officers are asked to use their own discretion regarding seat belt use in situations where a prisoner is being transported, or when approaching "the scene of known or suspected danger."

"It has been proven beyond doubt that the use of seat belts significantly reduces deaths and serious injuries resulting from motor vehicle collisions. For these reasons we have adopted the use of seat belts as part of our regular operating procedure," said Mr. Graham.

"We hope that other citizens follow the safe driving example being set by the OPP," he added.

Haliburton Highlights

Now that the street has been torn up for the installation of a sanitary sewer system in Haliburton between the Bell Canada office and the first crossing possibly the local council will see fit to put in a decent sidewalk in that area. It is something that has been needed there for a long time.

Like to make some extra money in your spare time? You might consider collecting White Spruce cones. White Spruce and the seed of other trees common to this area are in demand by the Ministry of Natural Resources and they will pay for good quality seed.

No cones will be accepted unless the picker has first obtained a picking contract. Interested? Contact the Minden office of the Ministry of Natural Resources for further details.

Since our last week's editorial re an OPP office for Haliburton with men stationed here we have had several people come to us telling us that this should be done right away.

The 1974-75 winter will have about average conditions for snowfall and temperatures, but the summer of 1975 will be a hot one, says the Editor of the Farmers' Almanac. He will be visiting Ontario from September 9th to 12th to tell us about it.

The Farmers' Almanac is in its 158th consecutive year of publication and has been producing a special Canadian Edition, with a Canadian weather section, for Victoria and Grey Trust Company since 1968. Over seventy thousand copies of the Victoria and Grey Edition will be used in 1975.

Airport camp-out attracts 40 people

The weekend of August 10-11, brought to the Stanhope Airport, some 13 planes and 40 adults and children for a camping-out weekend.

Some members of the Oshawa Flying Club enjoyed camping out on the Airport grounds and took in the lovely Haliburton Highlands weekend weather.

Among the planes that participated were two Twin-engine aircraft, one home-built Mini-Mustang of a brilliant red color, some Cessna 150's two Apache 250's and some other various models of aircraft.

Hosts for the day were Pam and Derek Rolfe and Tom and Elaine Nunn, all of the Stanhope Airport Committee.

On Sunday, Mr and Mrs Provaw flew in from New Jersey, bringing their three sons for a camping holiday at Medeba Bible Camp in West Guilford. They arrived in the early afternoon in their Cessna 182 SkyLane, and we

were most pleased to extend a hearty welcome to them.

It was most pleasant to see this beehive of activity over the weekend and the airport committee hopes to see an increase of activity in the weeks to follow preceding our Fall Color Centennial Fly-In scheduled for September 29.

Young-Johnson wed in Haliburton

On Saturday, August 10, Captain Savage of the Salvation Army at Haliburton officiated at the wedding ceremony when Mary Young was united in marriage to Mr. Robert Johnson. Mr. Bunny Kellett of Haliburton was best man.

Guests at the wedding included Emily, Mary Jane, Virginia and Richard Young, Mr and Mrs McMartin and family of Bobcaygeon, Mr. Jack Cooper, Mr and Mrs Mervin Mackey of Haliburton.

It was a very happy occasion for all.

Couple given life memberships

John and Jean Fergus are both life members of the Legion but their respective branches are districts apart. Formerly from Perth, where Jean was president of the ladies' auxiliary, they moved to Peterborough. John joined the Haliburton Branch but Jean continued to be

affiliated with Perth-upon-Tay Branch. In 1972 John was awarded a life membership in Haliburton Branch, District "F". In April Perth-upon-Tay Branch ladies' auxiliary, District "G", presented a life membership to Jean.

Water, sewage a must

The first phase of the sanitary sewer system for the village of Haliburton is just about completed. Most of the pipes have been laid and the sewage disposal plant is right on schedule.

The next step coming up is the second phase of the system for the remainder of the village. We are hoping that it won't be too long before the tenders are let and we can get the job done.

Many citizens of the community have been asking the question, "Why weren't the water mains put in at the same time?" We will agree that possibly this should have been done, but it was just a case that a start had to be made somewhere. We will agree that it won't be too many more years before people will be demanding that a water system be installed. The Ontario government at the present time is quite anxious that smaller communities without these services should be looking into the matter and putting them in.

It is a well known fact that the communities which are going to move ahead are those who have had the foresight to look ahead and install water and sewage systems. These two items are a must in this day and age.

The village of Minden has a water system already installed and its next move will be to put in the sanitary sewers and we understand that Minden is looking into this matter at the present time.

Fair deserves support

The outstanding event this weekend is the 110th Minden Fair which will be held on Saturday and Sunday, August 24 and 25.

It is our hope that this will be one of the best Minden Fairs in history as this year they will be celebrating the Centennial of Haliburton County.

May we remind one and all that this is the only Fair held in Haliburton County and it is deserving of your support.

At one time there were many Fairs held in various villages in the County, but as time went on most places were unable to keep them going and local fairs seemed to be a thing of the past.

Yes, there is only one left and the Minden Agricultural Society is to be congratulated on being able to hang in there and keep the fair alive. It hasn't been easy up through the years as costs keep rising and the main problem seems to be in getting enough people to come forward to lend a hand in the many duties that must be performed.

A good program has been lined up for the two days this year and the one and only Ronnie Prophet and the Switzer Brothers will be highlighting this year's show.

Miss Haliburton 1939 - sightseeing launch on Lake Kashagawigamog

Letters to the editor

To the Editor:

Well, I see some people in Haliburton County has finally woke up.

I think it is time all the big shots of the town were put down a notch or two and let an industry of some kind in the town so the little guy could have a chance.

About the only place in this county to work is Martins Mill or Wilberforce Veneer and, unless you have some knowledge of Lumber and logs you are sort of out of luck and also the first thing they ask is "HOW MUCH EXPERIENCE HAVE YOU HAD" a seventeen or eighteen year old getting out of school doesn't have to much unless of course his or her father has enough money to pay his way into the Company.

Also the store keepers in this big shot town put the prices up so high in the summer a normal working man cannot eat a decent meal.

A couple of weeks ago I went into the store to do my shopping with my sister-in-law who was visiting us from Gravenhurst and I was gathering things up and she was so disgusted at the prices for instance a twenty-eight ounce can of pears was seventy-five cents she can buy them for fifty-eight cents a difference of seventeen cents. I could go on and on but in this one horse town I don't think I'll waste my time.

Also in the Muskoka area which is also a Tourist area, there is factory upon factory and more coming in.

Why should there be such a difference in two places so close together.

But if Haliburton wants to keep on they can pay us all welfare as they don't need to think that they are going to make us all move out just to have things their own way.

Myself, I think, there is enough room in this county for a half a dozen factories and still have lots of room and time for tourists.

So let us get at it boys and fight for our county.

P.S.

I'm willing to work if you're willing to give us something to work at.

Glenda Hutchings

Mr. Wayne Wood,
The Municipality of Dysart et al,
Haliburton, Ontario

RE: Dovers Spring, Haliburton, Ontario:

Dear Mr. Wood:

Regular bacteriological examination of the Dovers Spring water supply indicate the water supply is now safe for human consumption, without chlorination or boiling. The placard has now been removed from the spring.

The repair work carried out to the outlet of the spring and to the over burden appears to have eliminated the cause of contamination.

The Health Unit will continue to sample the spring on a regular basis.

Yours truly,

R. J. MacNaull, C.P.H.I. [C]
Senior Public Health Inspector.

Pic of the past

We wonder how many people will remember this picture, it was taken years ago long before Haliburton had a good Fire Department like they have today. The above float shown where the present post office now stands was entered in one of the earlier parades as a take-off on

the then so called fire dept. which consisted of a bucket brigade. Thanks to Ruby Henderson of Kinmount for giving us this photo.

BILL SMILEY

THOSE WERE THE DAYS

Once upon a time, I really enjoyed shopping in supermarkets.

My wife hates shopping of any kind. Most women, I believe, rather enjoy it, especially for clothes. She detests it.

Therefore, she'd hand me a list as long as a foot, and off I'd go to the supermarket. Walking into that air-conditioning on a sweltering summer day, was like going for a cool swim off a red-hot beach.

Picking up your empty grocery cart was like getting into a boat to go fishing, or finding an empty cornucopia to fill.

Then there was the pleasant, leisurely stroll through the vast maze of goodies. Past the vegetable counter, where the contents were sprayed with water to make them look "garden-fresh". Poking through the meat counter, with the red light overhead to make the meat look fresher.

Along the frozen-food section, where I always did some wild impulse buying, like fiddleheads or fresh shrimp in a gourmet sauce.

Into the fruit section, where I'd snatch up a basket of apples that looked as though they came from the Garden of Eden and tasted like wet tissue. Or grab a bag of oranges that looked as though they'd just been plucked off a tree and had about as much juice in them (and a lot more seeds) as a wizened little old lady of 94.

Pondering over the cheese counter and selecting a ripe Camembert, forgetting the cheese slices which were on the list.

Then there were the delightful personal encounters. The bowing and stepping back and smiling when you almost ran into a little old lady with her cart. The making friends with sticky babies riding in the baskets. The brief interchange with a friend and the inevitable,

"We must get together one of these days." The polite and friendly clerks who would gallop a quarter-mile up and down the aisles to find you one small item you couldn't locate.

And finally, a pleasant chit-chat with the cashier, and the cheery willingness of the packers, the boys who put your stuff in bags and then carried it to your car, even in a blizzard, refusing a tip, once, then taking it with thanks.

Those were the days. But they're gone. Oh, the same cruddy moodmusic comes over the speakers. The signs and banners are there, more misleading than ever. But by gosh, the price is NOT right, the service is lousy, and the old courtesy and leisureliness is a thing of the past.

The vegetables are still hosed down, but now the customer is being hosed as well. Fifty cents for a head of lettuce?

We now walk past the

meat counter with eyes averted, until we come to the hamburger section and surreptitiously snatch up half a pound.

The frozen food department is enough to freeze the blood. In fruit, raspberries at \$1.00 a pint, bananas that look beautiful at ten cents each, and rot overnight. And on and on. Cheese must be made of angels' milk.

Service? You might as well be in the Sahara looking for an oasis as in a supermarket looking for a clerk.

There seems to be a big cut-back on staff. Hit for the door with a full shopping cart on a busy Friday or Saturday afternoon and two of the five or six check-out counters will be closed. You can stand in line for half an hour. The cheery boys who used to do the packing are almost non-existent, and you're lucky if they put the groceries in your cart, let alone take it to your car. The cashiers are as friendly

as computers.

Inside the store, don't turn your back on that sweet little old lady you once exchanged smiles and apologies with. She'll run you down from behind with sixty pounds of groceries, trying to beat you to that "super-special" on aged turnips.

Don't try to make friends with that cute kid riding in the basket. He'll probably throw a half-empty pop can at you, or sling a half-eaten chocolate bar onto your clean shirt.

Oh, dear reader, we are being manipulated by the supermarkets. Who do you think is paying for that "free" parking, those full-page or double-page advertisements, all that fancy packaging? It is you and it is I, fellow-sucker.

I always knew I was being taken in a supermarket. But it used to be sort of fun. Now it's a nightmare.

Centennial celebration parade at Wilberforce is viewed by thousands

Thousands lined the main street in Wilberforce on Saturday to view the Centennial Parade in connection with the Centennial Celebration held in that village last Saturday and Sunday. Forty floats and marching units made up one of the finest parades to be seen in these parts for some time. The parade which was about a mile in length started at the south end of the village proceeding up the main street and ending at the fairgrounds. The pictures on this page show some of the entries in the parade.

Fire wardens are important people

By Ross Beagan
Information Officer

Municipal fire wardens are a most vital link in Ontario's forest fire control organization. Yet very little of either their existence or their substantial contribution to their communities is known to the general public.

Numbering into the hundreds throughout the province, 700 of these dedicated volunteers work in conjunction with the Ministry of Natural Resources in Algonquin Region alone. The latter is comprised of the fire districts of Parry Sound, Bracebridge, Minden, Bancroft, Algonquin Park, and Pembroke.

They come from all walks of life in the hamlets, villages, townships and towns of Ontario. A composite picture drawn of a typical fire warden would typify him as an unselfish, able-bodied, community-minded, person, willing to devote a considerable investment in time to conservation. He is appointed annually by the Minister of Natural Resources upon the astute recommendation of his municipal council. He possesses considerable authority as a fire officer under "The Forest Fires Prevention Act" and regulations, including the issuance and suspension of fire permits, the power to stop unauthorized burning, and

the authority to requisition sufficient men and equipment to combat fires.

Their foremost asset to the Ministry, however, is their ability to play a vital "Standby" role in Southern Ontario during the current fire emergency in the north. Their training and fire suppression skills are of sufficient calibre to confid-

ently allow southern fire managers to airlift dozens of regular front line fire crews to the fire-stricken North-western Region of Ontario.

The Ministry of Natural Resources urges both cottagers and permanent residents in the fire districts of Ontario to become acquainted with their local fire warden, and to list his name

and telephone number on their emergency telephone lists. Some day, he may save your home or cottage from the ravages of forest fires with a timely word of advice.

Hopefully, your respect for him will one day equal ours.

Who knows -- he may be your next door neighbour!

Sandford College announces new appointment

Sir Sandford Fleming College has announced the appointment of Derek S. Scott as co-ordinator of the Cobourg campus.

Mr. Scott has been a faculty member at the Cobourg campus since it began in September, 1971, teaching business and technical mathematics, economics and principles of management. Some teaching duties will be retained with the current appointment.

He holds an Honours B.A. in economics and mathematics from the University of Guelph, and prior to his original appointment at Sir Sandford was supervisor of client services with A.D. Pollard Associates Ltd., of Toronto.

Mr. Scott said that, beginning in September, the Cobourg campus will be offering the second year of a post-secondary program for the first time, allowing

students to receive a two-year diploma in general business.

Previously, students completed their first year at Cobourg, then transferred to the Peterborough campus to finish their studies.

"The Cobourg campus offers a unique learning experience, because class sizes allow instructors to give individual attention to academic problems," Mr. Scott said.

In addition to the full business program, Cobourg will continue to offer the first year in a number of business, general and applied arts and technical areas, he said.

One-year certificate programs also are offered in the commercial stenography, retail merchandising, registered nursing assistant, and health care aide fields.

Mr. Scott said part-time day studies also are popular

at the Cobourg campus, because class sizes allow individual timetabling and the kind of entrance procedures that make it convenient for housewives and others with a flexible daily schedule to take one or several courses.

Including the co-ordinator, there are five full and part-time instructors at the Cobourg campus, which is located on D'Arcy street in Northam Industrial Park.

An advisory committee of Cobourg residents counsels the College on the development and scheduling of programs and courses in light of local needs and employment opportunities.

Former co-ordinator Donald R. Sheppard, who developed the Cobourg operation since its inception, will be involved with the College's business division at the Peterborough campus.

Hall's Lake News

A sad note this week upon hearing of the car crash near Norland last Friday when a cottager from Hall's Lake, Mrs. Gertrude Jamieson, was fatally injured and her husband in hospital in Lindsay. The sympathy of neighbours and friends go out to her family.

First prize for the best Centennial Float was awarded the Stanhope Township group in the Haliburton Rotary Parade a week ago Wednesday evening. The Carnarvon Lumber truck driven by Ronald Bacon and decorated beautifully by Lil and Al. Rawlins; large flowers and shrubs and long paper banners, with the theme "Picnic Time in Stanhope 1874 and 1974" depicted the modern style with barbecue with Patricia Hunter and Tom Montgomery toasting weiners and marshmallows, while at the other end of the truck the lovely Highland crest (made of satin ribbons at the Home) and a group of Gay Nineties costumes worn by Lil Rawlins, Audrey Wilkinson and Doreen and Len Stinson were displayed, enjoying an old-fashioned picnic on the grass. The beautiful Trophy donated by Murray Fearrey (Warden of the County of Haliburton) was gratefully received and was taken to the Hyland Crest Home the following day to allow all the Senior Residents there to view it. It was then put on display at Stinson's Store and then taken to the Stanhope Council Chambers where it will remain on view for a year and a plaque put on it for Stanhope. A cash donation was also awarded with the Trophy. Special thanks to Ron Bacon for his

good driving, Welsh's Funeral Parlour for the use of the imitation grass and any others who helped in any way to help win the award and also to Mr. Fearrey for his generous contribution.

Mrs Marjorie Watson has been entertaining friends from Toronto; namely Mrs. Campbell and Mrs. Hazel Hicks.

Mr Roy Anderson's beautiful big dahlias have been at their best. Two of them with some greenery make a nice bouquet.

Mr and Mrs John W. Nicholson and young sons Billy and Johnnie, are spending a two weeks' vacation at the Wallace's "Highland Cottages" here on the Lake. They are from Hamilton and John and Mary have been coming to Hall's Lake for many years.

The Russell Reunion was held on Saturday, some indoor activities and some outdoor, as the weather permitted. An evening at Club 35 wound up the pleasant event.

Mrs Marj. Ferguson is

In Haliburton
MILLER'S
GENERAL STORE
BERNSTEIN'S
DRY GOODS
In Minden
COX'S APPAREL

moving back to Toronto but will retain her pleasant home here at the Lake for a time so we trust she will find her way back frequently, as we will miss her.

The "Folk-Lore Festival" at Camp Kandalore on Saturday and Sunday was quiet well attended and certainly well worth driving up Highway 35 to view the wonderful display of canoes and to see the tremendous museum of early Indian and Canadian crafts, tools, machinery and buildings. This Festival was held under the auspices of Stanhope Township in co-operation with Mr Kirk Whipper of Camp Kandalore and tied in with other Centennial projects. A lot of planning and organizing went into this two-day affair open to the Public and thanks should be given to

the host and the committee who kept things moving.

Mr and Mrs Joseph Furst of Sydney, Australia have been visiting with Mrs Furst's sister, Mrs Elsie Bursey. They are now leaving for an extended trip to Europe en route to their home, skirting countries which are now dangerous for travellers to visit under present conditions.

Mr and Mrs Armand Aymong showed their beautiful coloured slides at "Thistlebrae" to a group of Hamilton ladies recently and they were certainly enjoyed by all. Mr. Aymong is a former employee of Kodak Company and has a keen knowledge of choosing objects and indexing his pictures for easy and interesting commentary. After an evening of his pictures one feels as though they too have been on a lovely trip through the Canadian West.

Cardiff council meet

The Regular Meeting of the Council of the Township of Cardiff was held on August 6 with all members present.

Peters-Ross Motion that the minutes of the last Regular Council Meeting held on July 3rd, 1974 be adopted as read. Carried.

Peters-Ross Resolved That the following Applications for Consent of the Provisional County of Haliburton Land Division Committee Files # H-192/74; H-166/74; H-216/74 and H-215/74 be approved. Carried.

Ross-Ruthven Motion that a cheque for \$160.00 be forwarded to Queen's University for the payment of the Clerk-Treasurer's tuition fees for the Municipal Administration course. Carried.

Peters-Ross Resolved That the Council rescind the resolution of July 3rd, 1974 re: supply of waste oil, due to the difficulty of obtaining same. The Road Superintendent is hereby permitted to purchase liquid calcium chloride. Carried.

Ruthven-Ross That a By-law to authorize the sale of land be read. Read a first and second time, signed by the Reeve and Clerk. Read a third time and finally passed, signed by the Reeve and Clerk, sealed with the seal of the Corporation and be engrossed in the By-law book, numbered 12-74.

Peters-Ross That a By-law to adopt the estimates of all sums required during the year 1974 and to strike the rates of taxation for the year 1974 be read. Tax collector is hereby authorized to collect rates for 1974 and to impose a penalty for non-payment of same. Read a first and second time, signed by the Reeve and Clerk. Read a third time and finally passed and numbered 13-74, signed by the Reeve and Clerk, sealed with the seal of the Corporation, and be engrossed in the By-law book.

Peters-Stapley Motion that the Clerk-Treasurer be authorized to forward a cheque in the amount of \$75.86 representing hydro arrears collected on Prop. # 19028001000, to Ontario Hydro as required by the Power Commission Act sec. 74 R.S.O. 1970. Carried.

Ruthven-Ross Motion that the Clerk-Treasurer receive the correspondence and items of business discussed, approved and finalize as

required. Carried.

Stapley-Ross Resolved That the Council of the Township of Cardiff does not support a study of restructuring Haliburton County. Carried.

Peters-Ruthven Motion that the following accounts for the month of July, 1974 be paid: Road Voucher # 7 in

the amount of \$8,403.57 and Municipal Voucher # 7 in the amount of \$37,817.42. Carried.

Peters-Ross Motion that we adjourn this Regular Meeting and meet again on September 4th, 1974 at 7:00 p.m. at the Municipal Office on McGillivray Road. Carried.

Manpower Statistics

Registrations at the Canada Manpower Centre in Peterborough dropped from 4002 in June to 3862 in July of this year. Supervisor of Operations, Gerry Hales, stated that July proved to be an extremely busy month with 644 persons placed in full time employment, up 233 from the same period last year. He also stated they had placed 191 persons in casual employment during July.

During July, 31 persons were referred to training under the Canada Manpower Training Program. Mr. Hales stated that anyone attending under this program is paid an allowance

while taking part in this training, which is used primarily to assist those persons who have no skills to offer an employer, or who have been away from the labour market for some time and their skills have become rusty. Anyone interested in training should contact their Canada Manpower Centre.

A total of 22 persons were given financial assistance to explore job opportunities outside the Peterborough area, while eight families received financial assistance to move to areas where they had obtained permanent employment, concluded Mr. Hales.

Minden News

Mr and Mrs Les Clayton of Flagstaffe Arizona spent the weekend with Mrs Glenn Stamp.

Sincere sympathy to the family and friends of the late Bill King whose funeral was last week.

We heard that Simpson Sears Order office will be closing and after the 13th any orders will be coming by Post Office.

Mr and Mrs Blake Hughes and Amy of Port Credit spent a holiday with Mr and Mrs Bob Hughes and family.

Linda Adams of Lindsay spent several days last week with Mr and Mrs Bill Moore.

Lloyd Johnson will be showing the Slides of the trip to the Holy Land at Minden United Church Hall Tuesday August 13th at 7:30 p.m.

Gerald Coulter of Toronto was a weekend guest with his parents Mr and Mrs Angus Coulter.

Glen Sears, Louise and Bernice of Toronto were weekend guests with his parents Mr and Mrs M. Sears.

Mr and Mrs Don Berry enjoyed the Family Gathering at Parry Sound on Sunday.

Mr and Mrs Harold Todd and Family of Richmond Hill were visitors with Mrs Alice Todd.

There was a Friendship Tea at the home of Mrs Chris Lazier on Thursday afternoon, in honour of Mrs J. Bumister. Pouring tea was Mrs Stan Sarjeant of Orillia and assisting were Chris Dollo and Rose Waters.

Audrey and Bert Chamb-

erlain and Doug have returned home after 2 week vacation in Haliburton County and visits with Mr and Mrs Glenn Stamp and Mr and Mrs Bill Moore.

A new arrival was Jody Marie, daughter for Eric and Sherry Cooper.

Richard Parisotto is away for a visit with his family who are holidaying in Northern Ontario and all will return home later this month.

Persons in hospital include Harold Rice in Toronto General and Gary Vasey in Ross Memorial and Junior Barry in Minden Hospital.

Last Tuesday there was a Buffet Supper at the home of Mr and Mrs Stan Sarjeant of Orillia in honour of Mr and Mrs John Bumister and family of Epsom Downs, England, who are holidaying with their parents.

Saturday was a busy one at the Curling Club - the morning was the Rummage Sale and at 11 with Auctioneer Doug Pritchard the goods were sold. The crowd was generous and articles sold quickly. We know this Sale must have taken a good deal of effort on the part of the members, but everyone likes an Auction Sale.

The U.C.W. had a good sale of Baked Goods, Friday morning, but wouldn't you know, raining again so they were in Stedmans (Gerry Pillsworth is very obliging) and all the goods were sold promptly.

This year's Rotary Carnival was crowded both nights. The Parade had a Centennial Theme and the entries were excellent. Thursday night at 7 four light airplanes gave an excellent performance of their skill, we didn't get up where the noise was but had an excellent view as did many others from their homes. The Rotarians are to be congratulated on two evenings of excellent entertainment for young and old.

Congratulations to Rae-Marie Burke who won the Jack Pot of \$250 in 57 numbers called at last Thursdays Rotary Bingo.

Emma Berry arrived home last week after spending five weeks enjoying a holiday in Italy, Spain and France.

Everyone sends good wishes to Ron Robinson Sr. who is a patient at St Michaels Hospital Toronto.

Jim and Marnie Robinson and June and Les Stedman

of Weston are spending a week holiday in our area.

Earl Milburn of Barrie and Walter Milburn of Guelph visited friends and relatives over the weekend.

Mr and Mrs Robert Lazier and Terrance of Calgary Alberta visited last week with his mother Mrs Christine Lazier.

Friday guests with Mr and Mrs P. Robinson and Mr and Mrs Jack Shaw were Mrs Paul Cockburn and John of Woodville and her sister Miss Linda Voycey of Cardston Alberta.

Sincere sympathy to the families and friends of the late Bill Lindop, G.A.L. Graham, and Mrs Hazel Hamilton (Stamp) whose funerals were since last week.

Phil and Bradley Robinson spent the weekend in London Ontario.

Dysart Council meeting

Minutes of a Special Meeting of the Dysart Municipal Council, held in the Council Chambers on Friday, August 9, 1974, commencing at 7:00 P.M.

All Members Present.

Moved by Lloyd Coneybeare seconded by L.C. Morrison That the Minutes of the Meetings of July 5th, 8th, 16th, 17th, and 25th 1974 be adopted as read. Carried.

Moved by Harold Bannon seconded by Lloyd Coneybeare That 46 - 400 Watt Mercury Vapour Lights complete with 6 foot brackets be purchased from McGraw-Edison Limited as per quotation for delivery earliest possible date. Carried.

Moved by Murray Fearrey seconded by Lloyd Coneybeare That the Municipality advertise in the 1975 Chamber of Commerce Publication. Carried.

Moved by Murray Fearrey seconded by Harold Bannon That the owner of lots 20 and 21, Concession 11 Dysart, be advised that Council will concur with the severance he proposes, however, prior to any authorization of Road opening along the line between lots 20 and 21, Concession 10, the owner is requested to determine the exact location of the said line and to further determine the feasibility of Road Construction on the said line with a proposal to Council. Carried.

Moved by Murray Fearrey seconded by Lloyd Coneybeare That the Road Superintendent be authorized to do minimal repairs to the Cowan Road from Goulds crossing to the top of Devil's Elbow Hill, and the owner of lots 10 and 11, Concession 5, Dysart, be advised that winter maintenance will not be performed on this road in the foreseeable future. Carried.

Moved by Lloyd Coneybeare seconded by L.C. Morrison That the meeting be now adjourned at 10:45 p.m. to reconvene Monday, August 12, 1974, at 8:30 a.m. Carried.

Minutes of a Regular Meeting of the Dysart Municipal Council, held in the Council Chambers on Monday, August 12, 1974, commencing at 8:30 a.m.

All members present.

Moved by Murray Fearrey seconded by L. C. Morrison That the Reeve and Clerk be authorized to enter into a Subdivision Agreement with Redkenn Developments reference Draft Plan 46T-23655. Carried.

Moved by L.C. Morrison seconded by Murray Fearrey That the Ministry of Natural Resources be requested to advise Council the present status of the proposed fish hatchery investigated in 1967-68. Carried.

Moved by Lloyd Coneybeare seconded by Harold Bannon That Baton Broadcasting be requested to advise the present status of their investigation of the Eagle Lake Rebroadcasting site. Carried.

Moved by Murray Fearrey seconded by Harold Bannon That Council advise the Canadian National Railway that they are not adverse to light clean development on portions of the former Mill Site, however, only if this development will supplement the use of rail services. However, it is in the best interest of the Community in our opinion that the site be under Municipal jurisdiction for park purposes. Carried.

Gems of Truth

SOUL EXERCISE

To become a Christian is one thing, to make spiritual progress in the Christian life is quite another. Some become careless and soon neglect to feed and nourish the inner man. It is true that we are saved by faith - and by faith in Christ alone, but we are kept spiritually alert and active by practice. There are certain principles and practices that a child of God must follow in order to enjoy the Saviour fully.

The Apostle Paul told Timothy to "exercise thyself... unto godliness" 1 Tim. 4:7. In other words, take care of your soul. Keep the fences of your inner man in good repair. People take care of everything else, their jobs, homes or gardens. They visit a doctor regularly to keep their bodies fit. But what about their souls? God has made great provision for it in that much of His Word relates itself to a healthy soul. We need more than to get the Bible into our hands, we must get it into our heads, hearts and habits.

To practise Godly habits takes will power and carefulness of the surroundings we subject ourselves to. Some companions will do us good, others will do us harm. On a gravestone was written these words, "It was hard to do wrong when Betty was around". God wants His children to be in good company. Peter got into trouble by being in the wrong crowd. He was not standing by the fire to defend Christ, he was warming his flesh but his heart was cold. It always pays to stand with the "Jesus crowd", that is where the soul is warmed and refreshed.

The Holy Spirit must be

often grieved with the wishy-washy conduct of Christians who are forever asking, "What's wrong with this"? Some seem to want just enough of God's salvation to get them to the right place but not enough to keep them from watching immoral movies on TV at every opportunity. Such measure out how much worldliness they can have, how much sin they can retain without losing God.

How refreshing to meet people with convictions! We need to know more about what's right and what is wrong and God lets us know if we let Him tell us. The Saviour wants His own to take a firm stand for truth and righteousness.

SCRIPTURE MEDITATION: "But beloved we are persuaded better things of you, and things that accompany salvation. Hebrews 6:9.

Haliburton Personals

In Memoriam

CRAWFORD - In loving memory of a dear wife and mother, Berniece, who passed away two years ago August 14, 1972. There is no parting from those we love. No distance can divide. For today in memories garden. We still walk side by side. Each dawning day a thought of her. At eventide a prayer. In the hearts that loved her. She always will be there. We shall meet again someday. To live and love a new. So rest in the garden of Jesus my love. Until we come to you. Sadly missed and always remembered by husband Russell and son Lockey.

In Memoriam

McKELVEY - In loving memory of a dear mother and grandmother Dossie McKelvey, who passed away one year ago August 14, 1973.

There is nothing so treasured. And nothing so rare. As the love that a mother and daughter can share. Through joy and through laughter, Through sorrow and tears, They develop a closeness That grows through the years.

This love that they share Doesn't need to be spoken. It's a wonderful bond That can never be broken. Sadly missed and always remembered by daughter Jean, son-in-law Earl and grand-children, Gloria, Larry and Maxine.

McKELVEY AND CRAWFORD - In loving memory of a dear wife, Dossie McKelvey who passed away August 14, 1973 and also my daughter Bernice Crawford who departed this life August 14, 1972.

Before the throne of God. Thousands of people stand. People whose sins are forgiven. A holy, happy band. Up there around the throne. My wife and daughter stand. Waiting for me to join them. In that holy happy land. Sadly missed and always remembered by husband and father Bert.
